## Congratulations!

Thanks to all your hard work during the first term you are currently eligible to be inducted into the Joyce Middle School chapter of the National Junior Honor Society.

To maintain eligibility, you need to:

- Complete the NJHS application on the Joyce Website by Friday, January 27<sup>th</sup>.
- Remain on high honors for terms one to three.
- Complete community service hours.
  - Sixth grade = 15 hours
  - Seventh & Eighth = 20 hours
  - *The community service must be completed by the end of the third term, April 28<sup>th</sup>.*
  - Attached you will find a “Community Service Record” form to keep track of your hours, this needs to be handed in by the end of the third term.
  - Community service must be unpaid, volunteer work. Babysitting siblings is not acceptable; think more of shoveling for a neighbor, helping at the children’s room at the library, staying after school to help a teacher clean. Community service must take place OUTSIDE of the school day.
- Maintain positive standing as part of the Joyce Middle School community.

Any questions or concerns please see Mrs. Pappagianopoulos in room B297.
